## **ECHO Vision Statement**

The Early Childhood Higher-education Options (ECHO) Consortium collaboratively supports and enhances development and delivery of programs to meet the standards for the Kansas Early Childhood Unified License.

## **ECHO's Guiding Principles**

- Commit to the early education of all children from birth through 3rd grade and their families.
- Respond to the needs of all higher education students.
- Respect individual and institutional differences.
- Accept each other as partners.
- Seek input from all interested stakeholders.
- Maximize available resources.
